

Macandrew Bay School

Simply the best for our children.

9 June 2017

Kia ora koutou katoa,
Greetings Parents and Caregivers

PARENT ASSEMBLY TODAY

Thank you to the children from Korimako Class who were the leaders for today's assembly at school. Children from Toroa, Karearea and Kakano classes entertained us with a couple of songs and we enjoyed seeing items shared by children from Tui, Rata and Kowhai classes. We hope the family members who came along enjoyed seeing what the children had to share with us all.

SURVIVAL OF THE FITTEST TOPIC

The children are sharing lots of interesting research with me that they are doing into animals that are under threat and needing help to survive and adapt. I hope they have been talking about these things with you at home too. Thank you to the families that help with getting books from the library and searching for information online etc. This really supports your child or children's learning.

Understanding these issues seems even more important when we heard last week that one third of our native New Zealand birds are now endangered and facing the risk of extinction. That is quite shocking to hear and hopefully is a situation that is able to be reversed.

PASSION PROJECTS

Next Friday afternoon we start a three week programme where each teacher is going to plan and teach a series of three lessons in an area where they are passionate and work as much as possible with children who enjoy this subject too. We do need to have manageable sized groups though. So will even the groups up.

Mr Mitchell will do Music, Miss Brown- Kapahaka. Mr Direen -Science experiments, Mrs B- Art related creative activities, Mrs Ward –Art (Fence Mural Painting), Mrs Wells-STEM (Science Technology, Engineering, Maths), Miss Hutchison - Drama .

The children will all be in mixed age groups. The Kapahaka group will be the children who are normally in Muaupoko and their learning will be the start of their Polyfest Preparation for the performance that is coming up next term.

HEADLICE

We have had some parents calling to let us know that head lice are appearing in their children's hair.

Could you all please check your child and treat for head lice if necessary. If your child does have head lice please remember that they should stay away from class until they have been treated.

WINTER WEATHER AFFECTING SCHOOL STARTING TIMES ETC

Well I guess now that we are in June it is timely to remind families what might happen if the weather turns particularly nasty and snow or ice make the roads so dangerous that schools around the city need to be delayed till 10am or closed for the day.

In the event of very dangerous road conditions due to snow or black ice etc a blanket decision is made for the whole of Dunedin by Principals who live in the hill suburbs, after consulting Police etc. This includes Macandrew Bay School.

A decision is made on either a late start at 10.00am or to close Dunedin Schools for the day. It is very important that families listen to the radio if weather conditions are bad in town and particularly listen to the cancellation notices on local radio stations. It is usually on after the 7.30am news and again at 8.00am. The reason these decisions are made is that even if children can get to school the staff often live some distance from the school and up on the hills and we can't guarantee that we can staff the school even if the children can make it.

If you are in doubt please look up the School's website as we always post late starts or school closures on our Homepage: <http://macbayschool.edublogs.org> or just google Macandrew Bay School. Keep on looking as we can only do that once we have heard the city wide decision. It is great if you hear school is off that you let your friends and neighbours know too if their children also attend our school. We will also attempt to send all families an email so check your emails too.

YR 5 OVERNIGHT STAY AT THE MUSEUM-13 JUNE

This year we have booked an overnight stay at the Otago Museum for the Year 5 children in Korimako Class on the 13th of June. It normally costs \$35 to stay at the Museum overnight and that includes dinner and breakfast. We applied for a grant from the Bendigo Valley Trust to help cover this cost and have now heard that we have been successful so there will only be \$10 to pay per child for this overnight stay. Please send the money to Mrs Cron in the office along with your health and consent forms before Tuesday the 13th if you haven't done so already.

The children will be at the Museum at 3pm, leaving school at 2.30pm on a bus and would leave the Museum at 9.30am the following morning. We have sent home information with consent forms and health profiles and thank you to everybody for sending them back so promptly. Their gear will need to come to school on Tuesday morning please.

We have realized they will need to bring two school lunches on Tuesday morning- one for Tuesday and another for Wednesday as we go straight to school from the Museum on Wednesday morning.

Get in touch with Bernadette if you have any questions you would like to clarify.

MATARIKI CELEBRATIONS- HANGI

For the first time we are going to take part in the Puaka / Matariki Celebrations that are taking place across the region. Mark the evening of Wednesday the 21st of June in your calendar as we plan to have a hangi tea at school and celebrate this special time of year.

We would love some help to prepare food for the hangi and to help with it on the day so if you think you could help please let us know. We hope to prepare the vegetables and meat on Wednesday morning and would really appreciate any help people can offer. Come along with a potato peeler and we will happily give you a job on Wednesday morning. It would be great if children in Toroa and Korimako classes might bring a potato peeler in their lunch box too as they might help with preparing the kumara, potatoes and carrots.

There will be a small charge to contribute towards the costs of the kai of \$5 per head. We need to know how many people we will be catering for at the hangi by the end of next week so can families send along numbers and their money by Friday next week please. We expect there might be about 150 meals to prepare, which would be a really great number taking part in this special meal together. Also if any families had any good vegies available from their gardens to donate for the hangi that would be wonderful to know about prior to us ordering in food.

Rob Wells (Mrs Wells husband) has been incredibly helpful from Tahuna, explaining how they do their hangi each year and Tahuna is kindly lending us their hangi baskets and irons and tongs etc. We are grateful that Rob is able to help us on the day too.

If anybody has any old white sheets to donate that would be great as we need them to cover the hangi. We have sourced a lot of hessian sacks already from Greggs.

Thank you to Tony Reid for his offer of firewood. That is a great help and is gratefully accepted.

We have some kind people who are going to help dig the two hangi pits on the Wednesday morning but would love a couple more. We thought if we started digging about 7.30am we would get the two pits dug, one for the food and one for the fire and the ashes. If we get the fire going at about 10am then the irons should be hot enough to put the hangi down about 1pm. If we dig the hangi pits a day or two before and it rains we could get water in our pits and we don't want hangi soup! That's why we are leaving the digging till Wednesday morning.

There is a notice at the back of the newsletter where you can order your hangi meals and volunteer any help you may be able to offer.

We will aim to lift the hangi at about 5pm or 5.30pm and eat shortly after. We would love it if you could bring your own plates and cutlery to eat off and take your dishes home afterwards to keep things as simple as possible.

It would be fun to do a lantern procession after we eat around the school so for those who would like to do this can you make a lantern at home and bring it along. Some of you may have them already from the Lantern Festival that occurs in the city each year.

OTAGO SPELLING QUIZ

We have sent home a notice last week for 9 of our top spellers as are keen to enter and

prepare three teams to take part in the Otago Spelling Quiz to be held in at Tahuna Intermediate Hall on Wednesday the 21st of June. Unfortunately it is the same day as our hangi but we could keep kai for the children if their families would like them to do both on the same evening. Good luck children.

FUTURE ENROLMENTS AT MACANDREW BAY SCHOOL

We need to have up to date information about children who are likely to attend our school in the future and so if you have a pre-school child or know of a neighbour or a friend with a child who plans to send them here in the next few years then please get them to ring or email the school with the child's name, date of birth, address and parent's contact phone number. That would be really helpful for us in planning for the future.

We are particularly keen to find out if there are any New Entrants likely to start in Term 4 this year as at the moment it looks like we don't have any children turning 5 then which seems rather unusual.

Children usually start coming along for valuable pre- school visits to the New Entrant classroom about 6 weeks before they are due to start and this helps them transition successfully to school. Get in touch with us here at school about 2 months prior to your child's birthday to get this all arranged.

SOCCER COACHING AT SCHOOL

Football South are sending football coaches to school to work with each class for ½ hour each Friday for some weeks this term when the weather is suitable. Sadly there has been lots of rain on Fridays so far this term.

The children are really enjoying developing their football skills with two enthusiastic coaches.

ENTERTAINMENT BOOKS (Fundraiser)

We now have Entertainment Books at the office, if you would like one or know someone wanting to purchase one please let them know. You can also order on line if you would prefer by going to www.entbook.co.nz/260e090 you could get either an electronic version or book form. For each book we sell the school receives \$11.00, which, goes towards resources for the children.

Use only one or two of these offers, and you'll more than cover the cost of your Membership!

CHEESE ROLLS - A warm winter lunch

Today was our second cheese roll lunch. The remaining dates are:
- 16 June, - 23 June, - 7 July

The cheese rolls will be \$1 each and will be made with wholemeal bread. **Could you please ensure that the correct money is dropped into the office in a named envelope with the money inside prior to the Thursday you wish to buy them. Please note your child's class.** If you wish to place one order for all or some of the future dates that is fine just include the details of what dates your order covers.

If you would like to pay by depositing the money into the bank account this is the account number: **Home & School 02 910 0056556 000**. Please put your child's name in as a reference.

The cheese rolls will be heated and ready for the children to collect in their lunch boxes to prevent unnecessary waste.

This will be a warm treat on these cold days.

PIZZA LUNCH FOR RATA CLASS- 23 JUNE

The class that won the pizza lunch from the Home and School for the most grocery items was Rata class. This is almost turning into a tradition as Rata class always do extremely well. The pizza lunch is going to be provided for Rata Class on Friday the 23rd of June.

TRIPS TO THE ALBATROSS COLONY -27, 28, 29 JUNE

We have just booked in to do the 'Saving our Seabirds' programme at the Albatross Colony later in the term at the end of June.

On Tuesday the 27th of June Tui and Toroa class will be going in the morning.

On Wednesday the 28th of June Korimako and Rata class will be going in the morning.

On Thursday the 29th of June Kowhai, Kakano and Karearea will be going in the morning

It is many years since we have been to the Albatross Colony so it will be great to head down there again and it will fit in very well with this term's topic on endangered animals and what we can do to help them survive. It will be essential to have some parent volunteers to help with supervision so if you would like to come and help out fill out a notice and return it to school.

We will travel by bus to and from the Albatross Colony but may need to ask the parent volunteers to carpool down to the colony as it may be a tight fit with two Senior classes on the bus together.

ART GALLERY TRIPS- 30 JUNE, 5,6,7 JULY

Towards the end of the term all classes will be going to the Art Gallery for a visit and an Art Workshop with John Nuemegan, the Art Gallery Educator.

Toroa are going on Friday 30 June in the morning

Tui are going on the 5 July in the morning and Rata are going on the 5th of July in the afternoon.

Korimako are going on the 6th of July in the morning and Kakano are going on the 6th of July in the afternoon.

Karearea are going on the 7th of July in the morning and Kowhai are going on the 7th of July in the afternoon.

We will be travelling by bus to and from the Art Gallery. Parents are very welcome to come with us in on the bus and we would love to have some help with supervision.

The 7th of July is the last day of Term 2

ROAD SAFETY VESTS

We would love to see all our children wearing their road safety vests if they are walking, biking or scootering to and from school. They would be much safer if this was the case!

Helmets are always compulsory when biking and would probably be a good idea when on

a scooter too. If children are seen without their helmet when on their bike we will be letting their parents know. Sadly the zips on the vests are not very strong and tend to break but the vests can still be worn, even with a broken zip and the children will still benefit from being visible as a result.

ROCKBOURNE HOUSE JEWELLERY VIEWING NIGHT- 29 JUNE

The Home and School are holding a jewellery viewing at Rockbourne House on Thursday 29 June at 7pm. Tickets to this event are \$25, this includes a drink, nibbles, a pamper treatment and two raffle tickets to be drawn on the night. This will be an opportunity to privately view the amazing jewellery sold by Rockbourne and a great chance to catch up in a relaxed environment.

Tickets are limited to 45 people so invite your friends and family and grab your tickets from Irene at the school office. Additional raffle tickets can also be purchased for \$1 each – prizes will include a hamper, a beautiful necklace and a \$20 voucher to spend at Rockbourne. Get your name down quick!

All the money raised from this fundraiser will be donated to Chris Fenwick to help show our support and care for Nic Hedley and Chris' children in this difficult time of loss.

SAUSAGE SIZZLE HOME AND SCHOOL FUNDRAISER SATURDAY 29 JULY

We are holding a sausage sizzle at Mitre 10 on Saturday 29 July from 10 – 4pm.

We need volunteers in the following time slots: 10 – 12, 12 - 2 and 2 - 4.

Everything is provided all you need to do it turn up and cook. Hellyers have again very kindly donated the sausages for this event.

Please complete the tear off slip and return to the Office. Or email [Liz ecameron@xtra.co.nz](mailto:ecameron@xtra.co.nz) with your availability.

VOLUNTARY SCHOOL DONATIONS

Each year we ask for a Voluntary School Donation each term and this money is used to buy reading books, maths equipment, musical instruments, sports equipment, library books and to help provide Teacher Aide Support for the children in the classes. Being a Decile 10 School means our operational funds are not all that generous and the money that comes from locally raised donations makes a big difference to the resources we can provide in the classrooms for our students.

Our suggested School Donations amount this year will be the same as last year - \$25.00 per term or \$100.00 per child. You are more than welcome to pay these per term or for the whole year – whichever suits you. Some parents have set up regular small direct debit contributions and that is fine. It is worth parents knowing that the receipt you receive for any donations made to school can be used for an income tax credit from Inland Revenue. You can pay school donations by internet banking but it is great if you also email and let us know you have done that and then Irene can keep track of all these payments. You need to state clearly your child's name and what the money is for in the reference information.

Macandrew Bay School Bank Account: 02 0900 0000233 00 Please remember to put your child's name in the reference. (Please note this account is only for School Donations, Stationery, Sports fees etc).

VOLUNTARY ACTIVITY DONATION

The suggested Activity Donation again is \$10.00 per child per term, or you may wish to pay \$40.00 for the whole year. This money is used to help cover the costs of the children travelling to the Museum, Albatross Colony, Art Gallery, Sports Events and pays for visits to school by different performing groups etc. Please fill in the form below and return to the Office if you are able to contribute in this way.

Depending on your income you may be able to claim one third of your school donations back from the IRD by asking Irene for a receipt and completing a form IR526, sending it to the IRD. Further details and a link to the form are on the IRD website:

<http://www.ird.govt.nz/income-tax-individual/tax-credits/donations-taxcredits/donations-taxcredits.html?tax%20credit%20for%20donations>

USEFUL APP FOR YOUR PHONE THAT HELPS WITH COMMUNICATION WITH SCHOOL

Last year we signed up to a very useful app called PT Calendar or the Parent Teacher Calendar App. Once you have downloaded the free app to your phone you can go in and choose Otago as your region and Macandrew Bay School as your school. Once this is loaded you can then go on it to see what is coming up on the calendar, report that your child is absent (by phone, SMS or email), find contact email addresses for your child's teacher, read the latest newsletter, or read information about our school. It also allows us to send a text to any parents who are signed up to our school if we had something happen that we needed to communicate with parents about e.g. an early closing of the school if we were flooded or had some sort of emergency. We can also email all our parents in case of an emergency using etap our Student Management system, as long as we have your correct email addresses on our database.

Thank you to the local businesses who are advertising on the PTC Calendar app and helping bring this useful service to us at no charge.

NOTICES FOR NEWSLETTER

Any notices for the newsletter should be in on Thursday afternoon please. It makes the compiling of the newsletter so much easier if they are in to the Office by then, either by email or by dropping a notice into school.

MAGIC KIDS AFTER SCHOOL CARE OPTION

We are very lucky to have Magic Kids providing after school care based at the Macandrew Bay School Library five days a week. To book your child in, even for the odd day ring Magic Kids at 453 3266 or visit their website. www.magickidsclub.co.nz

MACANDREW BAY SCHOOL SWEATSHIRTS

We have had a number of requests for another run of the school sweatshirts. In order to be able to provide these on an ongoing basis we have set up an ongoing order with Promo-X at 28 McBride Street, South Dunedin ph. 456 4303. The youth sizes can be purchased from them for \$33.90 – this is for the thick blue hoodie with embroidered logo on the front and Macandrew Bay printed on the back. Adult sizes are available at

\$35.10. The youth sizes available are from youth X-small up to youth X-large. We have samples available to see at school. This is a great option for children to wear in the cooler weather at school.

Kāore tātou e *harirū*, ka hongī kē.

We won't shake hands, we'll press noses instead.

Ā muri i ngā kōrero, ka *harirū* ā ka hongī ngā rōpū e rua.
After the speeches, the two groups will shake hands and
press noses.

- this is an example of an active sentence
