Kia ora koutou Parents and Caregivers

I hope you all had a great Waitangi Weekend and enjoyed celebrating our national day. It sounds like the celebrations at Otakou were very successful.

SCHOOL TERM DATES FOR 2017

- Term 1: Tuesday 30 January – Thursday 13th April.
School closed Monday 20th of March this term for Otago Anniversary Day
- Term 2: Monday 1 May – Friday 7 July
- Term 3: Monday 24 July – Friday 29 September
- Term 4: Monday 16 October – Friday 15 December

CLASSROOM INFORMATION MEETINGS

On the 15th and 16th of February we plan to run a brief 30-45 minute session in each classroom where teachers will explain their classroom routines, organisation and how learning programmes run. We have done this the last few of years and parents have found it very useful.

On Wednesday the 15th February – The majority of the Senior Classes (Rms Toroa, Tui and Karearea) will run their sessions and on Thursday 16th February Rooms Rātā, Kowhai, Kākano and Korimako will run their sessions.

The time slots are as follows:

Wednesday 15th February

- 5.30 – 6.15pm Y3 Tui - Robyn Brooker
6.15 – 7.00pm Y4/5 Karearea- Matt Direen
7.00 – 7.45pm Y5/6 Toroa – Christine Ward/Judy Hawker

Thursday 16th February

- 5.30 – 6.15pm Y1/2 Kowhai – Beth Wells
5.30–6.15pm Y3/4 Korimako- Andrew Mitchell
6.15 – 7.00pm Y1 Kākano – Charlotte Hutchison
7.00 – 7.45pm Y2/3 Rātā – Nic Brown

The sessions will all be run by the class teachers in their classrooms.

We will follow up in March and those families who would like a 10-minute chat with their child's teacher will be able to have a 10-minute slot available from 3pm – 5.45pm on either Tuesday 7th March or Thursday 9th March. This catch up would be for parents to share any information with class teachers they wanted to pass on and to set goals to focus on this year. Bookings will be able to be made online for Parent Interviews at

www.schoolinterviews.co.nz in a few weeks time and we will set up a code and put it in upcoming newsletters closer to the time.

Mid year written school reports will be going home in Term 2. We will aim to also run student lead conferences before the July holidays this year.

OTAGO MUSEUM TRIPS (20, 21, 22 February)

We would love to know if parents are able to join us for our February Otago Museum Trips. I know parents need notice to allow them to juggle things around to come with us so here are the days and times that each class will be going and we will include a tear off slip at the back of the newsletter. Each class will be travelling by bus to the Otago Museum.

The classes visiting in the morning will leave school by bus at 9.30am, ready for their session at the Museum from 10am-11.30am. They will then catch the bus back to school and be back by 12pm.

The classes going in the afternoon will leave school on the bus at 12.30pm after an early lunch, ready for their session at the Museum from 1pm-2.30pm. They will then catch the bus back to school and be back about 3pm.

If you are going on the trip with your child's class you are welcome to travel on the bus with the class or meet us there. Just let us know which option works best for you.

Monday 20 February

Morning Y1/2 Kākano and Kowhai together- Mrs Wells and Miss Hutchison

Afternoon Y3/4 Kārearea- Mr Direen

Tuesday 21 February

Morning Y2/3 Tui- Mrs Brooker

Afternoon Y6 Toroa- Mrs Ward

Wednesday 22 February

Morning Y3 Rata- Miss Brown

Afternoon Y4/5 Korimako- Mr Mitchell

SWIMMING

Classes swim nearly every day and we should get at least 6-7 weeks of swimming in during February and March before the pool is closed for the season at Otago Anniversary Weekend. Please send your child along prepared to swim with their togs and a towel etc each day. If there is any problem about this please have a chat to your child's teacher.

Remember if your child has had a tummy bug they can't swim for two weeks after vomiting or diarrhea as otherwise it could spread to others.

SUNHATS

All children need to have a named sunhat to wear at school during Term 1 and 4. It is best that this is a wide brimmed hat. We do have school sunhats available for sale for \$10 each

INQUIRY THEMES – 2017

Our big overarching concept in 2017 is about Challenge and Survival.

In Term 1 our topic is 'Ancient Civilisations- their Rise and Fall' and we will be researching a number of civilisations and their history.

In Term 2 we will find out about the Animals and the challenges they face to survive – We will look into the concept of survival of the fittest and how it applies to the animal world.

In Term 3 we plan to look at Nature's Forces and how people deal with challenges when coping with Natural Disasters.

In Term 4 we will look into how people keep themselves safe. We will look into

These ideas and Inquiry topics have all come out of our consultation with the children at the end of last year when we brainstormed all the things they wanted to find out about and looked for themes that connected with these ideas.

We have an Otago Museum trip booked for in this term.

If we have any parents or contacts that people know of who have a passion for any of these topics we would love to hear from you and see if you might possibly share your interest and knowledge with the children. They love listening to adults talking about something that they are passionate about.

VISITING PERFORMER- MR YIPPADEE AT SCHOOL TODAY

On Friday morning this week we welcomed Deano O'Brien, Mr Yippadee to school. Deano is a children's author and musician and his albums have topped the UK children's charts on numerous occasions. He has performed in the children's programme at Glastonbury numerous times. He has two books published through Scholastic, 'Nee Naw the Fire Engine' and 'Jingle Bells, Rudolf Smells'. He has toured with Wonky Donkey's Craig Smith. Deano ran a creative writing workshop with Toroa class at 9.15 and then did his whole school performance at 10.15 in Tutahi, our Library space. The cost is covered by the Activity donation.

LIFE EDUCATION MOBILE CLASSROOM VISIT- 13th-15th Feb

Next week in Week 3 the new Life Education Trust Educator, Maria Sinclair, and Harold the Life Education giraffe will bring the Mobile Classroom to our school and will be teaching Health lessons to all the classes about self esteem and social relationships. This is a very useful focus for us at the start of the term. The cost of this programme is covered by the Activity donation.

Maria is happy to run a parent session for any parents who are keen to pop into the mobile classroom after school and find out more about Life Education programmes. The parent session is on Monday the 13th, between 3pm-3.40pm. Feel free just to pop in for 10 minutes or so in this time if you wish to. Maria may be free inside the Mobile Classroom from about 2.45pm onwards if you would prefer to pop in before 3pm.

PAUSE, BREATHE, SMILE PROGRAMME

This Wednesday we began an 8 week programme this term for our Year 3 and 4 classes called "Pause, Breathe, Smile". It is a programme especially designed for NZ schools that teaches children how to increase their calmness, improve their focus and attention, enhance their self awareness and develop improved conflict resolution skills and positive relationships. It teaches mindful practices such as breathing and being more aware of ourselves in each moment. We are trying this out in response to the ideas that came through from parents in our Health Consultation survey last year. Other Dunedin schools have used the programme and found it very helpful for the students.

PARENT TUTOR READING HELP – Year 3 – 6 children

If you are interested in being a Parent Tutor to support children with their reading for 1½ hours per week then please fill out the form below and return it to school. Adults sit with one child at a time and hear them read for 15 minutes or so. Over the 1½ hours the Parent Tutors work with 5 or 6 children. This makes a big difference to the children and really boosts their confidence. Usually Parent Tutors sign up for one regular morning each week. Hopefully some of our fantastic Parent Tutors from last year will be able to continue. Thank you to those people who have already signed up again. Mrs Brooker organises this programme.

CONTACT DETAILS

If you have changed any of your contact details such as emergency phone numbers and work numbers could you please fill out the form below and return to the Office. Often parents may change their cellphone numbers or email addresses and forget to let the School know but it is great to have accurate information in case we need to contact you quickly.

CONTACT WITH THE SCHOOL

The School Office hours are as follows: Monday-Friday 8.30-3.30 and it would be appreciated if messages are usually phoned during these hours.

A reminder that the school has a Call Minder Service and calls are automatically put through if the line is engaged or no one is available. Please leave a message and we will get back to you as soon as possible. If you are leaving an urgent message about after school arrangements it is always wise to ring back though and try to speak to an actual person to be sure your message has been received.

I am available most times if parents need to talk to me about anything. I always try to be readily available but at times this isn't always possible. Parents can always make an appointment if needed.

ELECTRONIC NEWSLETTERS

If you are new to the School and would like to receive your newsletter each Friday electronically please fill in the form and return it to Irene and she will add you to the list. This seems to work well and saves us doing hard copies on the photocopier for people who prefer to read them electronically. We also keep newsletters on the School Website so you can go in there and have a look if you lose your copy.

VOLUNTARY SCHOOL DONATIONS

Each year we ask for a Voluntary School Donation each term and this money is used to buy reading books, maths equipment, musical instruments, sports equipment, library books and help provide Teacher Aide Support for the children in the classes. Being a Decile 10 School means our operational funds are not all that generous. Our suggested School Donations this year will be the same amount as last year - \$25.00 per term or \$100.00 per child. You are more than welcome to pay these per term or for the whole year – whichever suits you. Some parents have set up regular small direct debit contributions and that is fine. It is worth parents knowing that the receipt you receive for any donations made to school can be used for an income tax credit from Inland Revenue. You can pay school donations by internet banking but it is great if you also email and let us know you have done that and then Irene can keep track of all these payments. You need to state clearly your child's name and what the money is for in the reference information.

VOLUNTARY ACTIVITY DONATION

The suggested Activity Donation again is \$10.00 per child per term, or you may wish to pay \$40.00 for the whole year. This money is used to help cover the costs of the children travelling to the Museum, Art Gallery, Sports Events and pays for visits to school by different performing groups etc. Please fill in the form below and return to the Office if you are able to contribute in this way.

SCHOOL POOL KEYS

Please DO NOT put plastic chairs in the school pool. We do not want to risk damage to the pool liner that has just been installed and fundraised for. The special needs hoist above the pool is not to be used or played with. Please respect our pool and use it sensibly.

POOL TESTING REMINDER

If you are on the roster to test it is really important that you carry out your test or else organize someone else to do your test. This helps ensure our water quality and means we have nice clean water in our pool.

SWIMMING

Please do not allow your child to swim if they have had diarrhea or vomiting for 2 weeks after the last event. Swimmers who have had either condition in the past two weeks risk contaminating pool water with germs. Swallowing just a small amount of water can then infect others.

VEGETABLE GARDENS AND STREAM PROJECT

We realize we really need some help from members of our School Community with our vegetable gardens and stream area to keep them thriving, productive and well cared for.

If you would be keen to help out with weeding and watering etc we would really appreciate your help. Could you please fill in the tear off slip if this is something you think might be up your alley.

LOST PROPERTY

Large boxes of really lovely clothes from last year are waiting to be claimed in Toroa classroom (Yr.6 children) and up in the Quiet room at the back of the junior classrooms.

We will keep the lost property for a couple of weeks and then give last year's clothes away to charity. If parents want to have any of the clothes before it goes to Charity that is fine too so in a couple of weeks time anything that hasn't been claimed we are happy to recycle. We will let you know in the newsletter when we are ready to do this. We did put these clothes out a number of times last year hoping to get them reunited with their owners and did so again yesterday. If it is possible to write your child's name on the clothes label we would be able to get belongings back to the right people so much more easily.

NOTICES FOR THE NEWSLETTER

Just a reminder that any notices for the newsletter must be in on Thursday afternoon please. It makes the compiling of the newsletter so much easier if they are in to the Office by then, either by email or by dropping a notice into school.

STATIONERY

Our new system of pre-packed class stationery boxes is working out extremely well. It has been so much easier to get children set up with their stationery. If children haven't purchased their books yet it would be great if they could be ready with books to get underway with work next week at the latest please. Parents are of course welcome to buy their own stationery in town if you prefer and you can get the full list from Irene. We get very good back to school deals that we pass onto our families so I'm sure our packs are as cheap as you will find in town anyway but you may have some unused books you want to use up.

SUMMER READING PACKS

Great to hear about all the summer reading that happened over the holidays and to get so many of the packs returned to school. Could the last few packs please come back next week and be put behind Gill's desk ready to have the books returned by our librarians. Thank you for your support with this wonderful initiative. I am sure it has been very useful for lots of our readers to keep on reading throughout the holiday period.

MAGIC KIDS AFTER SCHOOL CARE OPTION

We are very lucky to have Magic Kids providing after school care based at the Macandrew Bay School Library five days a week. To book your child in, even for the odd day ring Magic Kids at 453 3266 or visit their website. www.magickidsclub.co.nz.

HOME AND SCHOOL COMMITTEE

We will let you know soon when we plan to hold our first Home and School Committee meeting for the year. The meetings last an hour and start at 7pm.

Everybody is welcome to join the Home and School Committee and we would love to have some more members.

It is a great way to get involved with your child's School.

We are keen to coordinate a roster for the Home and School Sausage Sizzle that is organised as a lunchtime option once or twice a term. If you are able to do the BBQ with another parent, usually on a Friday, could you please email Liz on ecameron@xtra.co.nz. With enough volunteers we might just need you to volunteer once a year.

Information about our Home and School Committee

The Home & School Committee meets twice a term and is a less formally organised group than the Board of Trustees. They support the school in many matters outside the curriculum such as fundraising for special projects and holding events. It is a good opportunity for every new parent to meet other parents, make close contact with teachers and get a better understanding about the everyday life at school. All meetings are open to every parent and the committee always welcomes new members. How much work every member wants to contribute in the end is entirely up to them. The aim is no pressure but lots of fun. The meetings are announced in the weekly newsletters. We usually have a Fair every two years and in alternate years we hold an Art Auction to raise funds for Arts programmes in the school and to fund our 'Artist in School' programme. This year we are due to run the Art Auction as our major fundraiser for the year.

NOTICES

For your information, please see below a media update, which is being issued by DCC today.

Traffic restrictions will be in place on Portobello Road over the next couple of months as part of stormwater improvements that include laying a new pipeline across the road and into the harbour.

From 10 February to the end of March, there will be temporary traffic restrictions at times on Portobello Road between Vauxhall and the Cove. Wherever possible, these restrictions will be between 9am and 4pm. However, in the last week of February (22-28th), temporary traffic signals will be operating 24 hours a day. Road users may experience short delays.

The road will be closed overnight from 10pm on Thursday 23 February until 6am the next morning, with the alternative route being Highcliff Road.

If you require any further information please contact me.

Rugby Coaching Opportunity at Macandrew Bay School

Following a hugely successful holiday camp over the break, we are looking to establish Otago's All Blacks Camp for Kids (ABC4KIDS) after-school programme which we believe might be of interest to some of you. The ABC4KIDS programme is the New Zealand Rugby Union's fundamental skills programme for primary school-aged children. The philosophy of the All Blacks Camp for Kids' "is to provide a fundamental skills environment with an emphasis on fun for all participants".

We have structured the camp so that it has three entry level sessions which are based around the needs of distinct age groups:

Children aged 5-6 years (Beginning).

Children aged 7-9 years (Learning).

Children). aged 10-12 years (Playing)

Each camp lasts for 5 weeks and each session goes for approximately 60 minutes.

The cost of the five week camp is \$50 or \$70 with a T-shirt.

To register your interest, please contact Helen by email at helen.martin@otago.ac.nz or 0211 294 206 Look forward to hearing from you It is likely the sessions would be run on a Friday afternoon after school this term or potentially next term instead.

ABC4KIDS AFTER SCHOOL PROGRAMME
