

Macandrew Bay School

Simply the best for our children.

23 September 2016

Dear Parents and Caregivers

Wow – What an action packed Term 2 we have had – Highlights have included: Amanda Shanley – Ceramics, Ukulele Jam, Y5 / 6 Swimming at Moana Pool, Ariki Cup, Otago Cross Country, Polyfest, Bayfield Art Exhibition, Current Event Quiz, Dress Up as a Book Character Day and School Olympics.

Wishing you a wonderful holiday. We hope you got to make the most of the spring weather and that you have a relaxing holiday. See you all on Monday 10th October, ready for Term 4!

MANNERS

Some of the staff got to hear some of Wilson McCaskills amazing ideas about developing children's emotional and social capabilities at a recent Professional Development Workshop.

He believes "quite simply, good manners are the lubricant of our social machinery".

For the last few weeks we have had a special focus at school on Manners. The children have been working on greetings, using eye contact, conversations and using Please/Thankyou etc. We have seen a big improvement with our Tamariki using their manners!

Wilson suggests we role model good manners at all times and ask for them in return. Good manners he says "often diffuse conflict situations". To find out more about Wilson's parent tips his link as been attached. <https://playistheway.com.au/content/53-tips-for-parents>

SENIOR BLOCK TOILETS

To complete our Senior School Upgrade Project we have now been able to access funds from the Ministry of Education to upgrade our Senior Block toilets. Work we had initially planned to do last year.

Stewarts Construction Ltd are coming back to do this work over the next month. Starting early next week at some stage.

Work will continue throughout the holidays and hopefully be finished by the start of Term 4. We are looking forward to the children having access to much nicer toilets to use.

Stewarts will be sealing off the toilet area and just outside the toilets in the corridor and also the steps and part of the path to the Learning Street entrance to give them access. We will still have access via the ramp and part of the path to this entrance way too.

JAN MCLEAN – DOLL MAKER

On Monday we were very fortunate to have the very well known Doll maker Jan McLean come and speak to the classes about how she designs and creates her dolls.

It was lovely to have Jan McLean here, as she is grandmother to Taylor, Kate and Hunter. Jan's talk was interesting and her main message was if you have a passion to stick with it, as you never know where it may lead. Thanks to Antoinette for helping out.

This was a wonderful Technology learning for the children finding out about the process of doll making.

PENINSULA ATHLETICS DAY (First Thursday back after the holidays)

We will be joining with Portobello and Broad Bay Schools again to run our annual Athletics Day at the Caledonian Sports Grounds down near Logan Park High School on Thursday 13th October with a postponement date of Monday 17th October. The children rotate around a range of different Athletic activities in a group with all the children in their age group across the three schools. In the afternoon relays and races are run. Parents are very welcome to come and watch for all or some of the day. We would like to get a sense of how many buses we may need to order to get the children to and from the Athletics Day, so we have asked families to let us know if they plan to transport their own children independently. When buses are so expensive it is silly to pay for more buses than are required. Can you please fill in your tear off slip about transport and it must be back to us by Monday 10th October at the latest.

Children will need to be at the Caledonian by 9.20 ready for a 9.30am start. The day is likely to finish at 2.15 or 2.30pm. If your child is catching the bus on the morning then they will need to be at school by 8.45am as we will be on the bus by 8.55am and away.

Children need to wear their Macandrew Bay T-Shirt if they have one and hopefully everybody has got them. If not, we do have them for sale for \$20.00 each and Sunhats for \$10.00 each.

Children need to wear sensible shoes for Sports Day, a Macandrew Bay School T-Shirt, wear a sunhat, have sunblock to apply, bring a packed lunch and drink bottle.

For older children who have outgrown their T-Shirt but won't want another one could they please just wear a plain blue T-Shirt.

If the weather is doubtful listen to the local radio stations for a cancellation notice we have a postponement date up our sleeve. Morning tea break will be at 10.30 – 10.50am and lunch 12.30 – 12.50pm approximately.

We will also put a postponement notice or cancellation on our website

LUCKY DIP FUNDRAISER AT THE FAIR – Important

With the upcoming fair early next term we are looking at gathering small prizes for our lucky dip prizes. Small objects like toys, rubbers, pencils erasers, pencil sharpeners, sweet treats, mini puzzles, cards are all welcome.

Please send along any small objects that you think would make a good lucky dip. They can come to Tui room and Mrs B will collect them in.

MATHS PARENT INFORMATION EVENING 20 OCTOBER

Last year we ran a really successful Parent Information evening about how we teach English at Primary School level.

This year we plan to organise and run a Maths Parent Information Evening next term at school on Thursday the 20th of October in the second week of Term 4. The session will start at 7.00pm and run till 8.00pm or 8.30pm at the latest. We would love to share with you how we teach Maths so you can have more confidence supporting your child in their Maths learning at home.

It would be great to see lots of parents coming along. We also plan to follow up by having an open morning Maths session a few days later in school time and you will be very welcome to come and see Maths sessions in action on the day.

INTERSCHOOL SOCCER TOURNAMENT

Captains report by George Barker – “The first half was a bit of a disaster for us. They led 5 nil at halftime. After half time we played a lot better. We played together more as a team. It was fun to go and challenge Portobello School. It would be good to play them again at the end of the year”.

SPORTS

Futsal Term 4 - 2016

The Futsal teams are now up on the window of Karearea.

Futsal starts in TERM 4 - Tuesday 11th and Wednesday the 12th of October and finishes on 29th November.

This is an **8-week competition**

The draw will be up on the window as soon as I get it... It can also be found on the website:
www.futsalsouth.sportingpulse.net

Shin pads must be worn at all times and cover with long socks.

NZ Football / Futsal along with ACC recommendations will enforce country wide FIFA rule that if any player turns up to play futsal without shin pads they will not be able to play.

I will not be there for all the games.... Thank you for helping out with subbing and Player of the Day.

Keep the skills up over the holidays and good luck for the start of the season.

Macandrew Bay School Sweatshirts

We have had a number of requests for another run of the school sweatshirts. In order to be able to provide these on an ongoing basis we have set up an ongoing order with Promo-X at 28 McBride Street, South Dunedin ph 456 4303. The youth sizes can be purchased from them for \$33.90 – this is for the thick blue hoodie with embroidered logo on the front and Macandrew Bay printed on the back. Adult sizes are available at \$35.10. The youth sizes available are from youth X-small up to youth X-large. We have

two samples in the office (youth small and youth large) that you can use to size your children. In order to purchase these just contact Promo-X to make your order and they will contact you when they are ready for you to pick up. All payments are made directly by you to Promo-X.

THE EARLY LEARNING PROJECT - UNIVERSITY OF OTAGO

I would love to hear from parents of children aged anywhere between 6-8 or nearly nine. We have almost completed our mood study, but still need 8 more girls and 3 more boys. The study is exploring the effect of different moods on children's memory. You will be asked to bring your child to the university and then the child will watch a short video (The Lion King or a nature film to hopefully put them in a happy, sad or no change mood, you can probably guess what parts of the Lion King we will show them.) After watching the video the children then play some memory games. All the children who have taken part so far seem to find it pretty fun, and also we will give the child and their parents \$5 each for helping us out as we really do appreciate you taking time out of your holidays, just a small token. An appointment time will be set up at a time that suits you and your child the study takes between 25-30 minutes, we are hoping to do these interviews over the school holidays.

If you might be interested or can pass onto other's who might be willing to take part I would appreciate it. Happy to explain more about study if you are interested.

Please help us we need to have data collection done by the end of the holidays so the students can write up their findings.

Dunedin Netball Holiday Programme

Over the past year Dunedin Netball have taken the opportunity to listen to parents feedback and redesign our holiday programme offer.

We are excited to announce that Jo Morrison (NNZ Selector, ex Silver Fern and England player) has written a brand new holiday programme for us to implement in 2016! Armed with a new kit of resources aimed at children in specific age groups we can't wait for kids to participate in this year's holiday programmes. Every day will be different, and every programme will be different with heaps of netball specific activities, game play and exciting new "downtime" activities. Our friendly and knowledgeable coaches will enjoy working with your children developing their love of the game.
