Dear Parents and Caregivers

OTAGO ATHLETICS CHAMPS

Our young athletes experienced one of the hottest days of the summer season to date on Tuesday but did extremely well in the hot conditions. – Congratulations to everybody for giving their events their very best effort. Our girls' relay teams did particularly well making it all the way through to the finals. We are very impressed with how well you did up against everybody in Otago – especially the two girls who ran the 800 metres – Catherine Lund and Taylor McLean.

RSA CONCERT FOR UKULELE PLAYERS

The photo I saw of the RSA Concert at the Town Hall on Tuesday night looked wonderful with the Combined Ukulele players of Macandrew Bay, St Clair, Fairfield and Elmgrove Schools and Ms. Rose and Mr. Mitchell up on stage with the other teachers too. We know that you have all put in a lot of time and effort to get to this standard for the performance. Well done to all of you and thank you to our teachers.

SCHOOL CAMP FOR YEAR 6 PUPILS

Next week is School Camp week at Berwick for our lucky Year 6 pupils and many of their parents.

Mrs Ward has put so much work, planning and organization into this week and I know you are all going to have an amazing time. Thank you Mrs Ward for all your hard work. Usually I go the camp too but this year Mr. Direen is going as the second teacher and I will be back at school teaching Karearea class most of the week. The Year 5 pupils from Toroa will join the Year 5 children in Korimako class for the week.

The camp will be run at Berwick on the Taieri all next week, leaving Monday morning and getting back Friday afternoon.

A great programme of activities have been planned by Mrs Ward, including abseiling, a river safety programme, rafting, an obstacle course, search and rescue activities, kayaking, walking, wearable art, a quiz and a concert and much more! The children will have a ball as always. I am looking forward to joining them on Thursday afternoon and evening.

ENROLMENTS – NEW ENROLMENTS COMING 2017,2018 & 2019

We would really appreciate all parents who have preschoolers who are likely to be coming to Macandrew Bay School in the coming few years filling in the enrolment form at the back of the newsletter or if it is easier emailing admin@macandrewbay.school.nz as well as principal@macandrewbay.school.nz so we can have really accurate predicted lists.

A FEW CHANGES NEXT YEAR IN THE JUNIOR SCHOOL

Our lovely Sarah Crampton has decided to go travelling next year and so we will be very sadly farewelling her at the end of the year, though we wish her heaps of fun on her adventures and hope to hear all about them.

Nic Brown is going to teach Year 2 and possibly some Year 3 children next year in Rata. Beth Wells is going to move into Kowhai Yr. 1 / 2 and we have made an appointment for 2017 – Charlotte Hutchison, who will teach the New Entrant Class. Charlotte is a delightful teacher with six years junior school teaching experience who is returning to the south from Auckland.

WHANAU HUI – WEDNESDAY

It was great to have Anna Leslie join us this week for Whanau Hui on Wednesday. We realised the date didn't suit most people but some can make it along to the staffroom this coming Wednesday 30th November at 3.10pm. If you are able to make it please come along for a cuppa and a chat and we will look forward to seeing you then.

SCHOOL CROSS COUNTRY

We hope to hold the Cross Country on the afternoon of the 6th of December, with a cancellation date of Thursday the 8th of December. The event is run up in the paddocks above Conway Street.

We really need some parent volunteers to help supervise the course and keep things safe on the day. If you are able to help with this could you please fill in the tear off slip in this newsletter. You would need to come about 1.00pm to get on the course early and see where you would be placed on the course etc.

CALENDAR ART AND PHOTO ORDER PACKS

These all arrived in the school this week and have been handed out and sent home.

Please return your photo orders as soon as possible we will need to have orders sent away quickly (**by Wednesday 30th November**) in order to have them back before the end of school on the 16th of December.

FINAL DAY OF SCHOOL AND 2017 START DATE

Our Final day of School will be Friday the 16th of December with school finishing at 12.00pm on that day.

The 2017 School year will start on Tuesday 31st of January, with Teacher Only Day on Monday 30th January.

Term 2	1 May 2017	-	Friday 7 July 2017
Term 3	24 July 2017	-	Friday 29 September 2017

TEACHER PLANNING DAY

The teachers will be off site on Friday 9th of December for our regular Annual Planning Day to help us prepare for 2017 and reflect on this year. We have organised our regular part time teachers and relievers in the classrooms that day.

SCHOOL POOL – POOL KEYS

We will start selling pool keys from the 5th of December onwards though the pool will most probably not be open in that week. We are hopeful it might be ready to go in the last week of school.

Pool keys will cost \$80.00 if you are not going on the Pool Testing Roster and \$60.00 if you are with \$10.00 of that amount a bond that will be returned at the end of March when you return your pool key.

POOL WATER TESTERS

Hi all we will once again be opening our marvellous School Pool for the summer season, In order to do this we need a team of amazing people to test our water quality. A notice will come home Monday with testing times on it if you can indicate on it when you are available to help and drop it back to Irene by the end of the week or email me the information that would be great. The more people we get the easier it will be.

EVIROSCHOOLS HUI – 2 DECEMBER

Miss Crampton is going to take 3 of our very keen Enviroschools children along to an Enviroschool Hui next week in South Dunedin. We look forward to hearing all about your trip when you get back. They will be looking into the whole issue of climate change and how it might affect our city and world.

CHRISTMAS CAROLS

Fiona and Neil Pickering, Rowena Bell and Paul Wheeler have again kindly offered to come and play Christmas Songs and Christmas Carols for the school so we can all have a big sing along together. If the Cross Country is not on the afternoon of the 8th of December it will be then, otherwise it would be on Tuesday 13th of December in the afternoon. If anyone prefers that their children don't participate we can give them an alternative activity.

TECHNOLOGY PROJECT AWARD FOR TOROA

At Focus Assembly this week we had Peter Sleeman, a local representative of IPENZ(the professional body for Engineers) and our two young Opus engineers Millie and Erin George come along to celebrate the Merit Award and \$1000.00 prize money that Toroa class were awarded . Their project was called 'Move Me' and it was looking at the issue of how to get people moving safely around our school grounds.

With their prize money we will have some funds to put their plans into action now.

Well done Toroa Class and Mrs Ward.

SICKNESS IN SCHOOL

We are having a number of children off school with vomiting etc and thought it was time to give all parents a timely reminder about the time line for keeping your children at home if sick. Attached is a copy from the Ministry of Health Website.

Guidelines from Ministry of Health

School exclusion

Many illnesses are infectious, meaning they can be spread easily from one person to another.

When your child catches an illness, there will be an **incubation period** before they show symptoms. Some illnesses are infectious before symptoms show; some are infectious even after symptoms have disappeared.

To stop sickness from spreading, it is important for you to keep your child at home when they are ill, and not let them go to school or preschool. How long they should be home depends on what sickness they have.

1.1 CONJUNCTIVITIS (VIRAL/BACTERIAL)

- **Symptoms appear after 2–10 days**
- **Infectious** while there is a discharge from the eyes
- **Keep child home** while there is a discharge from the eye and/or until 24 hours of treatment

1.2 GASTROENTERITIS (VIRAL)

- **Symptoms appear after 1–3 days**
- **Infectious** while vomiting and diarrhoea last, and up to 48 hours after the last episode of diarrhoea or vomiting
- **Keep child home** until well and for **48 hours after the last episode of diarrhoea or vomiting**

Impetigo (school sores)

Symptoms appear after 7–10 days **Infectious** until 24 hours after treatment with antibiotics or until sores have healed **Keep child home** until 24 hours after treatment has started or as advised by doctor or public health nurse

We are pleased to let you know that Highcliff Road is now open again at the Two Cars Slip site, under the same traffic management plan as before. All work will now be carried out off the road, which will remove the need for a total road closure.

The weather has delayed the programme slightly, and we will be able to confirm the end date after some test drilling and design work over the next few days. We will send you another update when we have a confirmed finish date but it is expected to be shortly before Christmas.

We would like to thank you again for the patience shown during the road closure and are looking forward to having the project completed.

You can find out more about the project at www.dunedin.govt.nz/two-cars-slip.
