

Macandrew Bay School

Simply the best for our children.

08.08.16

Dear Parents and Caregivers

What a chilly week it has been – of course resulting in Dunedin Schools being closed on Friday last week. Please remember to check the School website for all notices regarding late starts and closures, txt messages come from the PTC App that people are downloading onto their phones as well but these are often quite delayed so the school website is the best place to look and keep checking with. Local radio stations also announce cancellations and late starts.

CONGRATULATIONS TO OUR ARIKI CROSS COUNTRY RUNNERS

We were very proud of the success our Cross Country Runners taking part in an Inter-School Cross Country event involving many Dunedin schools (particularly Peninsula and South Dunedin Schools).

The Girls team came 1st and won the Ariki Girls Shield for the fourth year running and the Boys came third in their event also meaning that Macandrew Bay came third overall in the competition for the Ariki Cup. We will have many of our runners qualifying now for the Otago Cross Country Championships.

Special Congratulations to Catherine Lund who came first amongst all Year 5 & 6 girls, Neve Darlington 2nd, Taylor McLean 12th, Katie Moore 24th, Hazel McDermott 25th, Bethan Buckby 36th and Ariana Reese 37th.

Boys - Hugh Jack 4th, Charlie Le Comte 14th, Luke Northey 18th, Callum Barr 22nd, Dan O'Brien 23rd, Leon Wilson-Brown 30th, James Cameron 31st, Tristan Graham 47th, Jacob Levy 71st.

QUIZ NIGHT

What a wonderful success our Quiz Night was. It might have been a cold night outside but inside the hall we were cosy and warm and feeling very well supported by our community with a great turn out, wonderful donated prizes and grocery hamper items etc. A very big thank you to Sue and Neil Foster for their work in writing and running the Quiz so wonderfully and to Liz and the Home and School parents who gathered up the prizes from all our generous sponsors.

Sue and Neil have done this Quiz for us for many many years now. We always make approximately \$2,500.00 or \$3,000.00 so I wonder how much money they have helped the school to raise over 20 or 30 years? I think they are definitely this week's Macandrew Bay Good Sorts! This year we made just short of \$3,000.00 again which will buy us a lot of I-Pads etc.

We have listed all the wonderful businesses that support our School in this newsletter so hopefully we can all support them in return when we are out and about shopping, dining and doing activities around Dunedin.

YEAR 6 TRIP TO TAHUNA

The trip to Tahuna for our Year 6 children went really well on Monday and they got a lot out of seeing all the activities and options that Tahuna Intermediate has to offer.

It is a busy time for Open Nights etc but very worthwhile for families to go along and have a look and see what looks the best option for your son or daughter as they transition on to their next stage of education.

YEAR 5/6 SWIMMING AT MOANA POOL

Last Wednesday concluded the three sessions that the Year 5 and 6 children had to go into Moana Pool and experience some water activities that are only possible to do in

deep water. They really loved their opportunity to try out kayaking, jumping into the dive pool off the high platforms and doing some water safety activities with the team from Swimsation. We are very grateful to the team from the Bendigo Valley Charitable Foundation for their support with this and to help out with buses for Te Mua Upoko's combined Polyfest rehearsals. As a result of this grant the costs were completely covered for swimming.

HOCKEY FESTIVAL POSTPONEMENT

Unfortunately the bad weather this week meant that the Hockey Festival that 25 of our keen hockey players were all set to compete in was postponed.

As yet a new date has not been set but we will let you know as soon as we hear when they plan to reschedule it to.

QUIZ RAFFLE CARDS

Thank you for all your support with this and for returning your cards and money raised to school. The winning class for the grocery hamper items was Rata class so I think they will be enjoying a pizza lunch at school to say thank you. Thanks Liz Luscombe for organizing this for Rata class.

TOPIC FOR THIS TERM ' BIG CHANGES STARTS SMALL '

(Personal Health and Well-being focus)

Big Ideas

Our personal well-being is dependent on our physical, social, emotional, spiritual health (hauora).

Small steps can lead to big results

Sport can build and enrich communities and nations.

The Olympics and Paralympics ring people together in pursuit of common goals.

Attitudes:

A goal is achieved by taking small but realistic steps (Smart goals)

Values:

Perseverance, Persistence, Dedication

Independently working on our goals

HEALTH CONSULTATION QUESTIONNAIRE

On Wednesday in the first week of term we sent home a Health Consultation Questionnaire with all children. It would be great to get one back from each family if possible. Every school in NZ is legally required to consult about Health Education programmes approximately every two years so hopefully our new format makes it easier and quicker to fill in. We are very keen to get your input so please return it to school by August the 12th. If your form has not made it home email Irene and she will happily email you one. Some families may prefer to do it online and email it back to us.

BOT MEETING

The next Board of Trustees meeting will be held at school today on Monday the 8th of

August at 7.00pm.

BAYFIELD PENINSULA SCHOOLS ART EXHIBITION

From Tuesday 16th August until Friday the 19th of August at 6.00pm many of our children will have some of their artwork on display along with all the other Peninsula Schools in at the Bayfield High School Hall. There will be a prize giving on Tuesday the 16th at 5.00pm and any of our children who win will be notified that afternoon. All children and families are welcome to the prize giving and also to pop into the hall between 9.00am – 6.00pm Tuesday – Friday that week to enjoy the fantastic artwork on display.

PARENT ASSEMBLY DATES THIS TERM

We plan to have Assembly here at school on Friday the 26th August at 2.20pm and on Friday the 16th of September. All whanau are welcome to come and see what the children have been learning about and creating at school recently.

TOROA CLASS FAIR – FRIDAY 19TH AUGUST

On Friday 19th August, Toroa class is having a class fair. All the money raised will go towards items for Christmas Boxes that are sent to children overseas in countries where they don't have much.

There will be toys, books, cakes, sweets, sherbet, jelly to buy and lots of games.

Items for sale will be either \$2.00, \$1.00, .50c or 20c. Children may bring up to \$5.00 (in coins is useful). It is a good idea to put the money in a small zip lock bag so they don't lose it. Children might like to use pocket money or earn money at home. A few coins is all they need.

If anyone has toys or books they no longer need Toroa class would love your child to bring along to school before the fair. We would also love any ice-cream containers or supermarket bags.

Thank you for your support. It is a great learning experience for our class and we look forward to making the Christmas Boxes.

We have had a few items dropped off but would love heaps more.

SAUSAGE SIZZLE DATES FOR THIS TERM

Friday 12th August & Friday 9th August. Orders need to be in on the order sheet included in the newsletter by 9.00am on the Wednesday before the Sausage Sizzle.

Sausages cost \$2.00each, Juicies cost \$1.00 each.

Please get those orders in before 9.00am this Wednesday 10th of August.

SAUSAGE SIZZLE HOME AND SCHOOL FUNDRAISER SATURDAY 13 AUGUST

We are holding a sausage sizzle at Mitre 10 this weekend on Saturday 13 August from 10 – 4pm.

We **urgently** need volunteers in the following time slots: 10 – 12, 12 - 2 and 2 - 4.

Everything is provided all you need to do is turn up and cook. Hellyers have very kindly

donated the sausages for this event.

Please complete the tear off slip and return to the Office.

WE ARE VERY SHORT OF HELPERS AND WOULD LOVE TO HEAR FROM YOU URGENTLY.

BOOK FAIR WEEK 29 AUGUST – 2 SEPTEMBER

The Home and School are again running a Book Fair at school during the week of 29 August to 2 September.

Kind parent volunteers man the Book Fair and sell books from 8.30-9.30am each morning during the week and in the afternoons from 3.00-3.30pm. We would also love some volunteers to set up from 3.00-4.00pm on Friday 26 August and pack up from 3.30-4.30pm on Friday 2 September.

Books will be available with a wide appeal for all ages of children. Once again we will not be sending wish lists home but we will take each class through the Book Fair to have a look at the books and parents will have the opportunity to look through the Book Fair both with and without children, before and after school. If you can't get along during the week and would like your child to bring home a wish list send a note along to the Office and we will give your child a wish list sheet. This is such a great way to get lovely new books for our Library as a percentage of the sales earns the school free Library books.

As a culmination to our Book Fair week we are inviting all the children and teachers to get dressed up as a character from a book or movie they like and to come to school for the day on **Thursday 1st September** dressed as their Book Character. We will have a sharing time at approximately 9.10am where everyone can see all the dress ups. Parents are very welcome to stay on so they can meet all the characters too. Usually we get each child to introduce themselves and whom they are dressed up as!

CRAFT STALL FOR THE SCHOOL FAIR

Calling all keen crafters we are planning a Craft Stall to sell items at the School Fair. If you are keen to contribute items to sell, or wish to be part of a team of crafters to make items please text Sam on 0210532678. We have had a range of craft items donated from Spotlight and now need keen helpers to make some fun things to sell on fair day.

HOME AND SCHOOL MEETING DATES

This term we are going to have a big focus on preparing for next term's Fair in November. Our dates for Home and School Meetings are 18th August and 8th of September.

UKULELE JAM

Ms. Rose has been working with a number of our keen, talented Senior Ukulele players to prepare them for the Ukulele Jam on Thursday the 18th of August. In week 4 on Thursday they will be heading to Tahuna for the Ukulele Jam. It begins at

9.30am and goes until 12.00 so they will be back at school for lunch.

Parents of the children involved are welcome to join them for the morning if they wish. We will need one or two parents to help with transport, so if you are free and keen to take a carload please fill in the slip on the notice that Ms. Rose is sending home. They will leave school at 9.05am.

The children will need to bring morning tea in a separate container and a drink to take with them to Tahuna.

The children who have their own ukulele will need to remember to bring them too please.

UPCOMING SPEAKERS IN TERM 3

On the 15th of August Katri Laike a microbiologist is coming to speak to the students.
In my previous life I did some sailing and competed in the 1992 Olympics in Barcelona for Finland. Since then I turned to cycling in NZ and have represented NZ in track cycling, I'm now involved in coaching with the NZ U19 road development group.

On the 16th of August David Dickson, a local Civil Engineer, is going to speak to the children about the challenges he has faced with dyslexia and how he has worked through these challenges and managed them on his career and life journey.

We are also looking forward to welcoming Chelsea Whitburn, a local girl and ex student who is going to talk about how she has set goals in her journey to become a very competitive sailor.

OTAGO PENINSULA COMMUNITY BOARD UPDATE

Calling for nominations for the Community Board

The Community Board needs you! **Nominations close this Friday 12th August at noon** and we need people to put themselves forward for the Otago Peninsula Community Board. Please consider standing for election or encourage someone else to stand. We need a range of candidates for voters to choose from. If you are interested and want to know what is involved – please contact myself or one of the OPCB members urgently. Also, don't forget to enrol to vote – deadline this Friday!

Local Government Election 2016

12th August – Nominations close 12 noon, electoral rolls close
16th-21st Sept - Voting papers delivered (voting is by postal vote)
8th Oct - Voting closes 12 noon

Roading updates:

- ◆ Highcliff Rd near Seal Pt Rd (*aka Two car slip*): contractor and programme of works due to be announced this week
- ◆ package of four slip repairs at Highcliff Rd at Sandymount/Seven Devils/ Soldiers Monument/ Hatchery Rd: tender documents out in next fortnight
- ◆ Portobello/Harington Pt Road Safety Improvement Project – successful tenderer for professional services is expected to be announced in the coming fortnight. The Board has been advised that physical works will begin in March 2017
- ◆ damage to the sea wall edging: the Board has advised Council that this unsightly damage needs to be addressed, at the latest before the beginning of the summer season

Other updates

- ◆ Te Rauone: Port Otago recently engaged engineering firm Beca to review the project as part of the process toward lodging the resource consent. Port Otago's Board has stated it is fully committed to a positive outcome for this project. The OPCB commends and supports the considerable efforts by Te Rauone Beach Coast Care Committee to get the very best outcome for our community and has the OPCB's full support

- ◆ the Board has identified the already consented and partially formed ramp (*adjacent to the Portobello jetty & part of Stage 3 of the jetty development*) as a priority for the community and is currently exploring ways to achieve its completion as soon as possible
- ◆ the Board has been lobbying ORC for five years to have a named, full time harbour master for Otago Harbour – this process is now underway
- ◆ remnants of old sand sausages have found their way onto Peninsula beaches. While measures have been put in place to prevent it getting in the water, if you do come across any of this material on our Peninsula beaches, please phone Council 4774000 urgently, so that this material can be removed immediately
- ◆ the Board continues to lobby Government and Chorus directly re continued delays in the announcement about which areas will receive Rural Broadband
- ◆ the Board is continuing dialogue with relevant agencies over expected growth this upcoming season in visitor numbers and therefore, visitor drivers. Prevention first is the message we are taking to all agencies involved, rather than waiting for a tragedy to occur. There is still work to be done on this and each of us needs to play our part as we welcome visitors to the Peninsula. However, if you witness poor driving by anyone, local or visitor, calling *555 from your cell phone is still the best way to report it.

Next meeting: Thursday 11th August 10am Portobello Bowling Club (*final meeting in the triennium*)

Keep warm and travel safely!

kaiako: teacher

I whakaakona ngā tamariki e te *kaiako*. The children were taught by the *teacher*. - this is an example of a passive sentence

Ehara tērā wahine i te *kaiako*.
That woman isn't a *teacher*.

- this is an example use of Ehara to negate an equative sentence

He tūnga matua te mahi a ngā *kaiako* ki te whakaako i ā tātou tamariki.

A *teacher's* job is important as they are the ones who teach our children.

- this is an example of a classifying sentence

Hoatu te āporo ki te *kaiako*.
Give the apple to the *teacher*.
